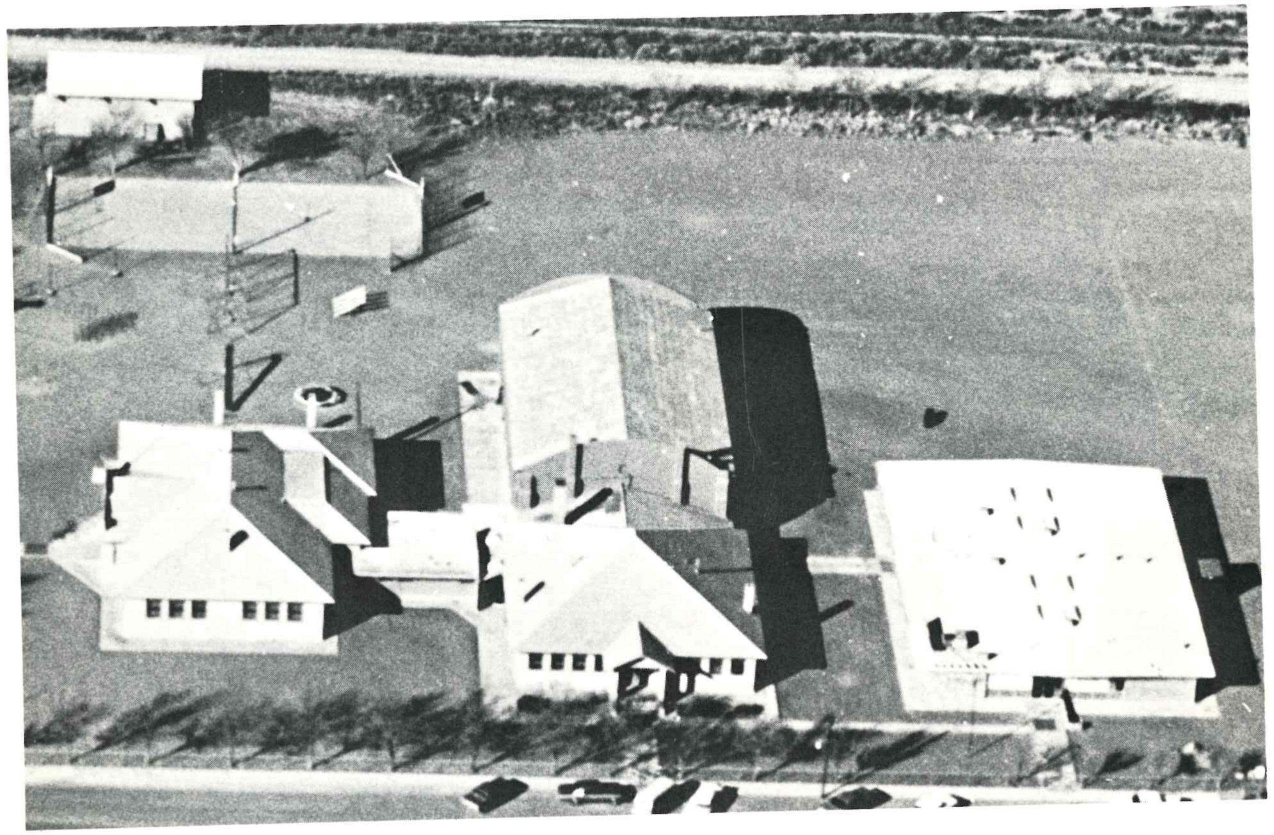
THE SPIRIT OF J.C.S.



The "Spirit" at a school is a combination of many things. The most important part of "Spirit" is the students and their activities. The next item is the teachers, who also play a part in our "Spirit". But there is one other item that is often forgotten, and that is the building itself. The buildings of J. C. S. contain the "Spirit".

So throughout this 1969-70 Wildcat, we the annual staff, present the "Spirit of J. C. S."

It is a real honor to be asked to write a paragraph or two for the school annual. Since perhaps the whole theme of this year's annual will be built around "School Spirit," I think it appropriate to give you my feelings of this subject.

A school without spirit is a dead one, because when you, as an individual, lose your spirit you are indeed literally dead. When we speak of the spirit of the school we could include a host of things. It could really be interpreted to mean the personality of the school, ---- as a person, is our school happy? Does your school have an air of seriousness? Your school should show a two sided spirit.

One side of your school's personality should be one of seriousness and a desire to make good grades. On this side there should be a spirit of courtesy and willingness to serve and uphold all that the school stands for educationally.

On the other hand your school spirit should tell you to have all the fun you can during these glorious days. This side of your school's personality should show some liveliness and nonsense of youth. What is a school without laughter and a bit of "rhubarb." I glory with you in your search to get the most from the excitement of youth. Let reason and moral principles govern you in creating your "School Spirit."

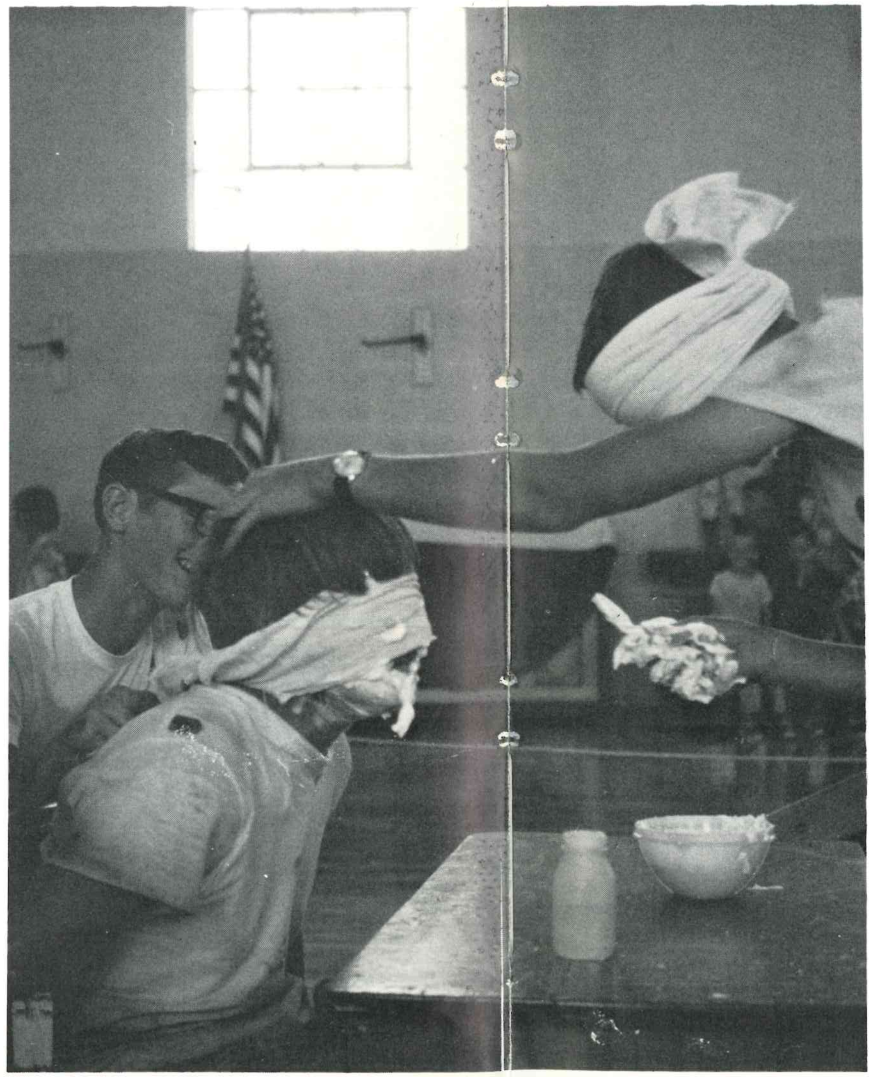
SCHOOL LIFE

THE FRESHMEN BECOME INITIATED

Ronald, who are you telling what to do?

SHAVING CREAM, PAINT, AND PADDLES MAKE A FRESHMEN



SEPH CITY
HOOL DISTRICT N
STO

The 1969-70 Freshmen Initiation was the best yet. It began on Tuesday, September 16, when the freshmen were auctioned off to the Sophomores. Nathan Shelley was the highest price slave sold. He was bought by Terri Despain and Wayne Miller at $1. 70. From $1. 70, the prices ranged to 30¢. The profits from the auction went into the Sophomore Class Fund.

The actual day of Freshmen Initiation began at 7:30 A. M. , September 19. The Freshmen & Sophomores arrived at the school clad in many types of clothing. The frosh's costumes consisted of bathing suits, hula skirts, combat boots, paddles quite often and other items of humor. Some of the frosh felt quite imposed on in their costumes.

The Freshmen were first painted lovely, colors of all shades. Then they were forced to pull the landleveler around the school. Completing this, the slaves were paraded into all the classes where they sold worms, swats, and other junk.

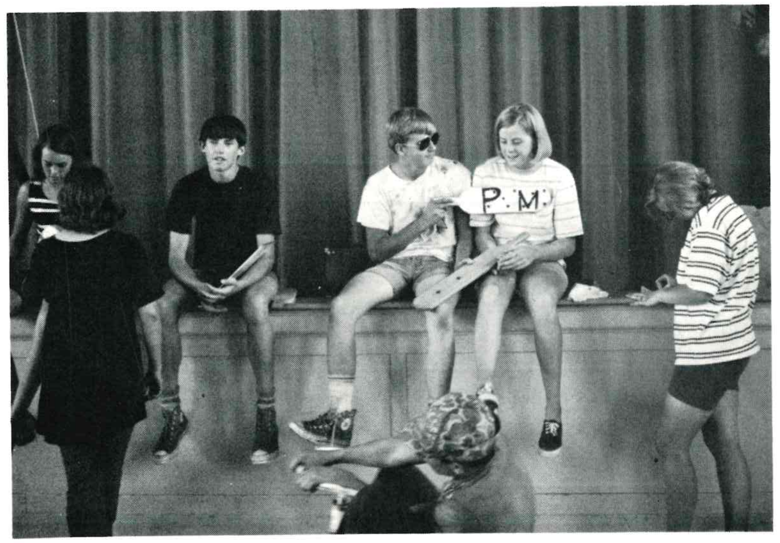
Painting the Joe City "J" came next, and all slaves walked out to the hill. Finishing there, they returned to the school and picked up the lunches provided. Such things as cans of soup, sandwiches of mustard, raisin, and cereal came as quite a surprise to the poor, hungry frosh.

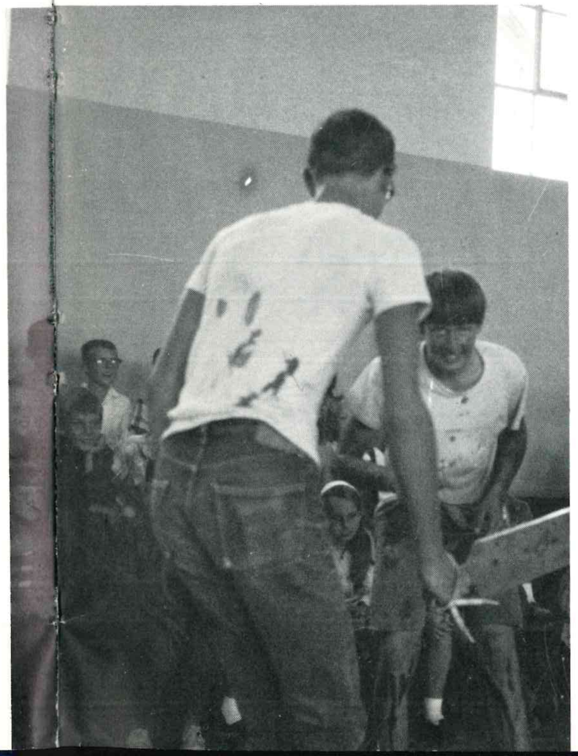
The Initiation assembly was well planned this year. The slaves were first made to parade around and model their clothes, then the frosh girls received shampoos of sugar, egg, and

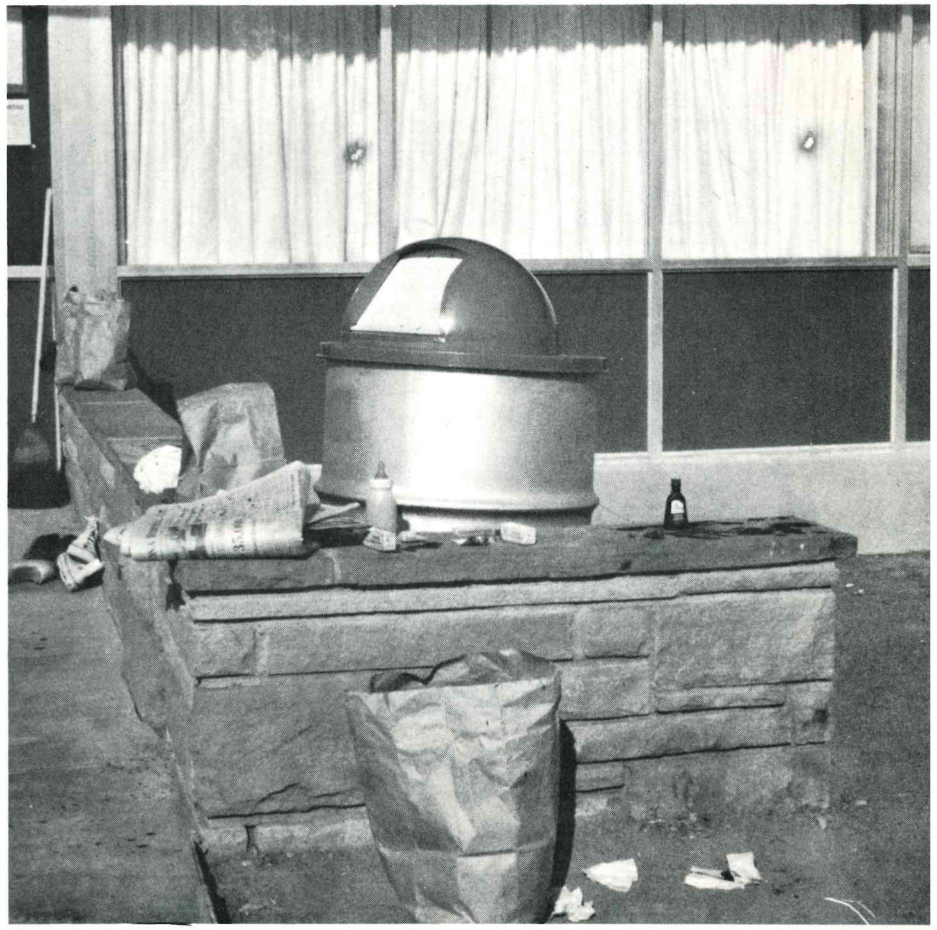
Cont. on pg. 10

shaving cream. The boys received shaves with spoons, shaving cream, and vinegar. They also had to do hula and ballet dances. Then both boys and girls went through an obstacle race on tricycles.

After the assembly the frosh were well initiated and were allowed to go home. To top off the day, there was a dance held that night to officially welcome the frosh into J. C. S.







THE CHRISTMAS SPIRIT COMES TO J.C.S.

The Christmas Program at J.C.S. this year, was presented by the 1-4 graders on the night of Dec. 19, 1969. The title of the program was the "MAGIC of Christmas", and was written by Mrs. Larsen.

The band, under the direction of Mrs. Sorgen, also played a few numbers for the occasion.

Everyone had a real swell time.

TOP LEFT: The kids on the night of their performance.
BOTTOM LEFT: The band playing some of their numbers.

J.C.S. CHRISTMAS BALL

The Christmas Ball was something new at J. C. S., this year.

The Sophomores were in charge of the ball and worked hard in the planning of it. They made posters, sold tickets and decorated for the dance. The music was provided by a band fromWinslow, called the "Blue Beats". Adults and students from J. C. S. and Holbrook, attended the ball.

The dance was quite a different affair from all the previous Christmas activities at J. C. S. but it did go over well, and everyone seemed to have enjoyed themselves.

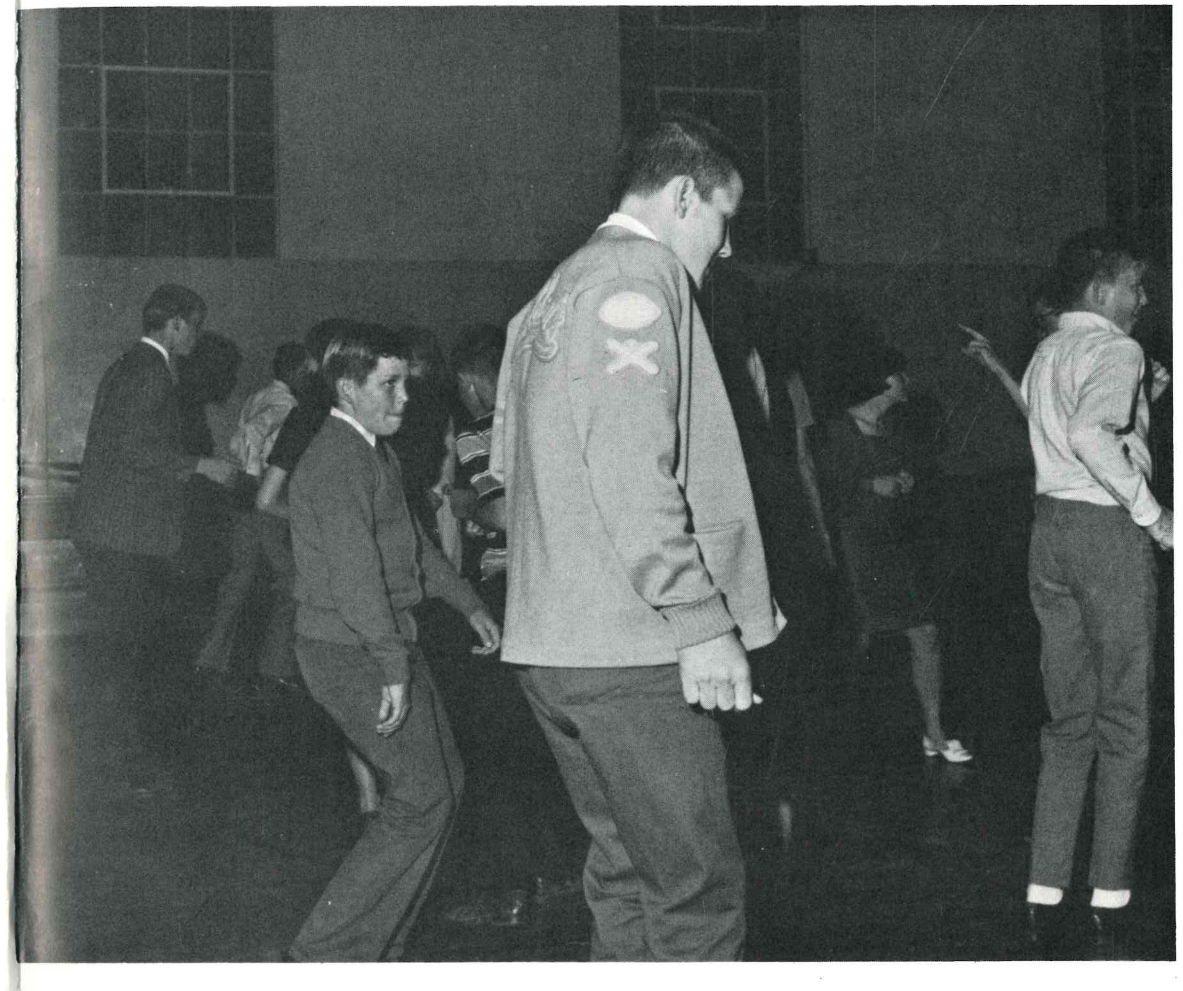
VALENTINES AND LOVE

Everybody grooves at the Valentine Dance.

"Childhood's End" plays at Valentine Dance.

Moving to the rhythm of Valentines.



In February of 1970, conversation around the school turned to the Annual Valentine Dance. The Freshmen and Sophomore classes began the plans for the dance.

The decorations for the dance were put up by the Freshmen and Sophomores, the day of the dance. The music for the dance was furnished by the Childhood's End from Joseph City. (George Rogers, Reed Shelley and Wayne Miller.)

During the afternoon of February 13, the 7th through 10th graders voted for the Valentine Royalty. The names were revealed at the dance that night. They were: Lyle Tubbs-King, Lynette Miller Queen, Wayne Miller and Connie Young-First Attendants: Layne Miller-Prince, Patty Thompson-Princess, and Bobby Young and Dorinda Baldry-Second Attendants.

Everyone was satisfied by the chosen royalty and the dance was enjoyed by all.

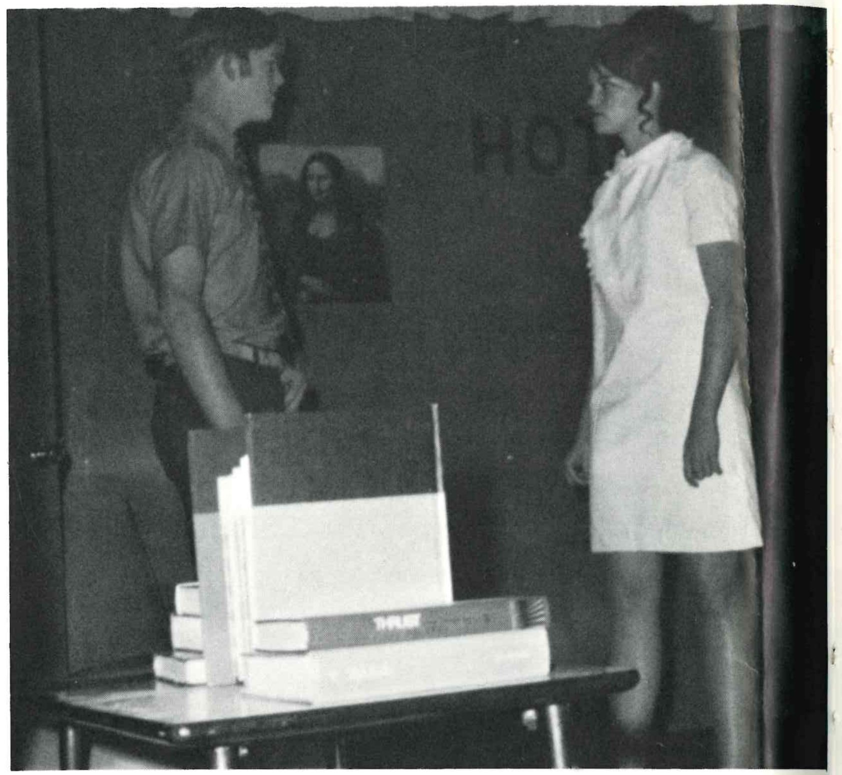
"STRANGER IN THE NIGHT"

The Sophomore Class Play this year, was a mystery-comedy entitled "Stranger in the Night."

The cast consisted of the J. C. S. Sophomores, and was directed by Miss Galloway, their sponsor.

The first performance was given, Wed. afternoon April 29, to the 1-9 grade students. The final performance was given Thursday night, April 30. The Sophomores did a much better job the last night and made the play a lot funnier with their thrown in ad-libs.

After the play was over, corsages were given to Miss Galloway, for directing and Mrs. Shelley for doing the make-up. The cast then had a party to celebrate the performance of a successful play.



"Thank You-----Mable,"
"You're Welcome-----Cliff."

OAK CREEK HERE WE COME!

"Oak Creek here we come" was an expression of how the 7th and 8th graders and the 9th and 10th felt, on the separate mornings when these two groups left for the annual ditch day.

The 7th & 8th grade left a week before the 9th and 10th graders. On the morning of May 15 these rollicking, rowdy, Jr. High adolescents boarded the bus, with 3 chaperones to venture to Oak Creek. When they arrived they took over the roller skating rink and tried to co-ordinate themselves on the roller skates, so they could skate around the rink a couple of times!!!

After having their share of bumps and bruises they ate lunch. After having eaten they ventured on to slide rock to wear out their pants on the rocks. The students really had a ball at slide rock and remained there until they were pretty well worn out. Both physically and mentally. After having enjoyed themselves immensely they came home.

One week later on May 22, the 9th and 10th grade left with FIVE chaperones. Two teachers and the bus driver to have their fun.

Their schedule was the same as the 7th and 8th graders but the activities were different. When they arrived at the skating rink they found it occupied by some students from Dysart School, so until it was time for the J. C. S. kids to skate they passed the time by swimming and just goofing off. When the time came for the 9th and 10th graders to skate they did so with much talent co-ordination and grace!

At noon they all gathered together to eat, & after having done so left for slide rock. There the students really had a swell time throwing chaperones, teachers, and each other into the cold water. After a couple of hours they too came homeward bound, to leave Oak Creek in peace & safety until next year.

MANY AWARDS PRESENTED AT THE AWARDS ASSEMBLY

The Awards Assembly for this year was held on the morning of May 29, 1970. Before the assembly, students from the 6th through 10th grades voted for Student Body officers for the next year.

There were many kinds of awards presented at the assembly, some of them were as follows: Achievement awards, spelling awards, Student Council officers and rep. awards, typing and annual staff awards, honor roll pins, Athletic and Cheerleader awards, Citizenship awards, and band, and Journalism awards. Pictured on these two pages are the people who received these awards.

At the end of the assembly the names of the new Student Body officers were announced. They were Boyce Hunt Pres., Neil Westover V. P. and Layne Miller Sec. Everyone seemed quite pleased with having an all male Presidency, and so after hearing the names of the new officers, the students returned to their home rooms to get their report cards.

After having done so everyone was dismissed for the summer, and the spirit of J. C. S. slowly began to fade away.

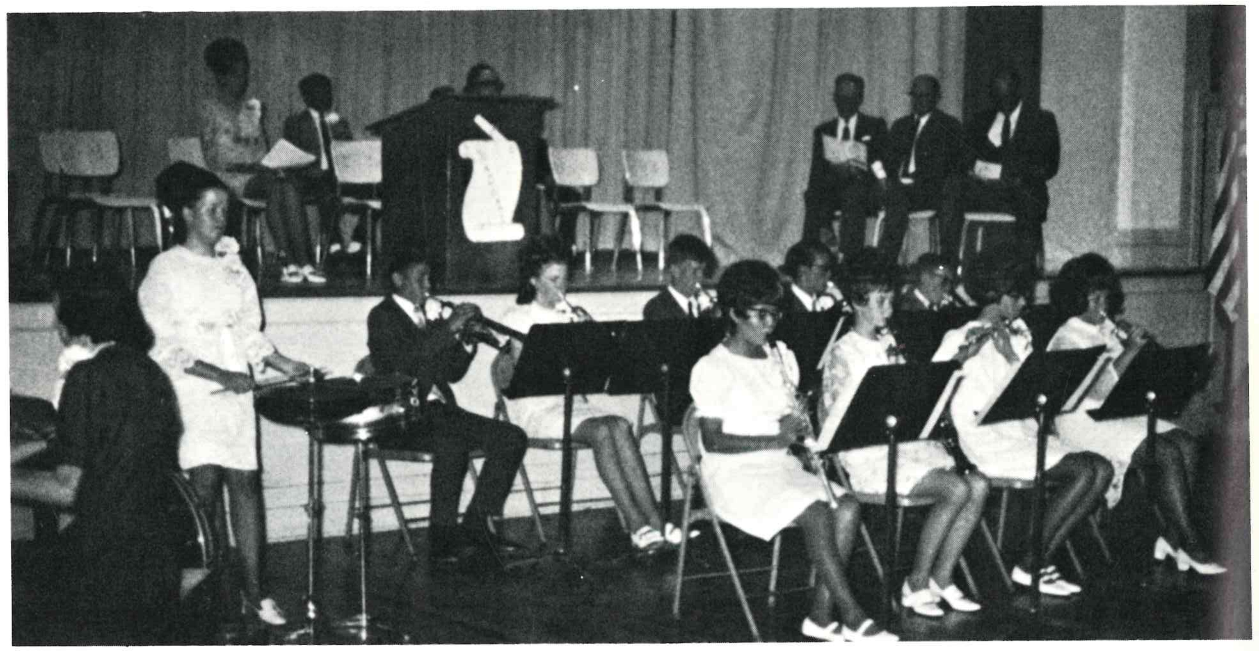
GRADUATES IN THE SPOTLIGHT



Musical Eighth Graders and the Fifth Dimension!

As the close of the year drew around, Eighth grade graduation did too. Under the sponsorship of Mr. Hatch, they began to plan their program. The speech assignments were given out and the theme chosen.

The theme the Eighth graders chose was "Aquarius." Mrs. Sorgen, the school music teacher, helped the students prepare their musical numbers.

The 17 graduating eighth graders: Gail Jones, Patsy Hodgsen, Renita Foree, Cecelia Black, Nancy Miller, Barbara Sorgen, Patty Thompson, Brenda Miller, Sally Morris, Randy Young, Edmund Bailey, Monroe Shelley, Kevin Fish, Doran Shelley, Wallace Roberson, Adrian Tubbs, and Layne Miller. Good Luck to you all!!

1970 SPELLERS

Miss Galloway, Bee pronouncer

What happened to all the boys?

Leon Miller, Irene Roberson, and Karen Hansen.

The annual school Spelling Bee was held on Feb. 19, 1970. Much preparation by the students and teachers made the Bee successfull.

Four students from each of the fifth, sixth, seventh, and eighth grades participated in the Spelling Bee. These students were: Fifth-Christine Marble, Brenda Hamilton, Kevin Miller, Deanne Morris; Sixth-Tempe Roberson, Gordon Marble, JoAnn Bury; Teddi Baird, Gaylene Marble, Teresa Paul; Droinda Baldry-Seventh; Eighth Renita Foree, Barbara Sorgen, Sally Morris, and Nancy Miller. Debra Hansen also participated from fifth grade.

The judges for the Spelling Bee were Karen Hansen, Irene Roberson, and Leon Miller. The pronouncer for the Bee was Miss Galloway, the High School English teacher.

The winners of the Spelling Bee were Renita Foree, Eighth grade, and Tempe Roberson, Sixth grade. When Tempe misspelled disappointed, Renita spelled it correctly and went on to become the champion when she spelled enemies, correctly.

Renita and Tempe represented Joseph City in the County Spelling Bee on Mar. 20. Both of them did well.

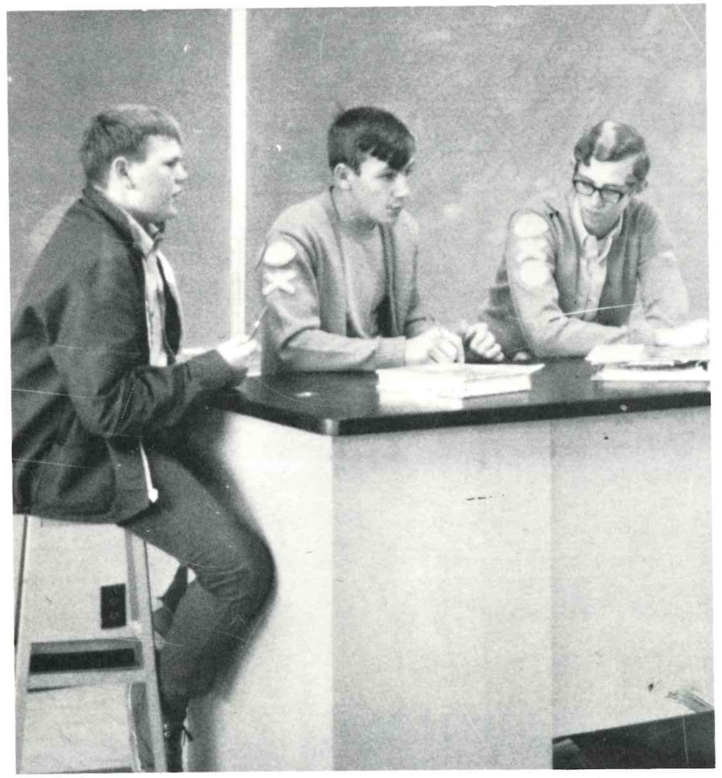
LETTERMEN HAVE SUCCESSFUL YEAR



The Lettermen Presidency
From L. to R.: Tom Foree, secretary; Neil Westover, President; George Rogers, Vice President.

The Lettermen's Club of J. C. S. is an athletic organization of young men who have lettered in different sports. They are also interested in promoting school spirit and in helping the coaches and athletic dept. of our school.

This year the Lettermen's Club have been working on a constitution which will govern this organization. They have also sponsored a couple of dances. The profits they made went into the Lettermen's fund. This money is used to keep the Lettermen's Club active, and also to buy pins, and other awards, at the end of the year for outstanding athletes.

The Lettermen's Club Initiation was held from March 31, 1970 to April 3, 1970. A dance was held the last night to top off their initiation.

The Lettermen's Club has done an outstanding job this year.

ANNUAL STAFF MAKES CHANGES

From L. to R., Terri Despain, Boyce Hunt, Asst. Editors, and Connie Young Editor.

The Annual Staff has really enjoyed making the yearbook this year.

Work started last fall when we sold ads in Holbrook, Winslow, and Joseph City. It was Boyce's job to see that these ads were put together in the yearbook. After ads were sold Connie and Terri began working on layouts. Using the ideas learned at Publications Workshop in Flagstaff last summer, they hoped to make the yearbook a better and a different one.

Mr. Hatch has been our advisor and we'd like to thank him for all the help and guidance he gave to us.

If really has been loads of fun and we hope that you will, enjoy and treasure the annual as we have.

Mr. Hatch, our advisor.

WILDCATS WIND UP FOOTBALL SEASON WITH A RECORD OF 2 WINS 6 LOSSES

The J. C. S. Football Team had a fairly good season of football this year. Although the Wildcats didn't win very many games they showed lots of spirit, and enthusiasm.

Mr. Vierthaler was coach for the 15 man football team and Neil Westover and Wayne Miller were the team captains.

Eight man games were played most of the time although there were some 11 man games played. Several scrimmage games were played with Winslow in which we didn't do very well, but in a scrimmage game with Holb. J. V., Joe City came out on top.

J. C. had a hard time keeping their players in working condidtion. To start out, Lyle Tubbs couldn't play because of a back injury. But our troubles didn't end there because before the season was over, Wayne Miller had broken a couple of fingers, Clifton Petersen broke his arm and George R. had broken his ankle.

By the end of the season the Wildcats had won 2 games and lost six, which isn't bad for only 2 years of experience and all the injuries to the players.

Despite all of the hard times the team had, Joe City is very proud of their work.

TEAMWORK AND SPORTSMANSHIP LEADS TO A SUCCESSFUL BASKETBALL SEASON

The J.C. High School basketball team, had a very good season of basketball this year.

Coached by Mr. Biggs, the team broke about even in their scoring, with a total of 10 wins and 9 losses. There were 11 men who made up the whole team. The first string players were Wayne M., Boyce H., Neil W., Kim S., and Ronald H.

The high point man for the season was Boyce Hunt, who scored an average of 20 pts. per game. Wayne Miller was second high point man and his average was 17 pts. score per game.

The teamwork and sportsmanship shown by the Wildcats helped in making the 1969-70 basketball season a successful one.

Sophomores at work(?)

The Great Sophomores of 1969-70 have had a groovy year. Many changes have been brought about by them that made the school year exciting for everyone.

To begin with, Freshmen Initiation was well-planned and fun for everyone, expecially the Sophs. The Frosh really knew that they had been initiated.

Next, the Sophs broke Halloween tradition and held the annual Spook Alley at the Haunted House. This caused a lot of excitement and everyone including the teachers, enjoyed the change.

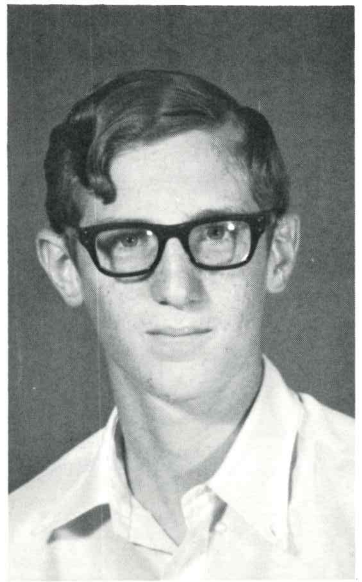
Would you put your DNA in the hands of a Soph Biology class?



George Rogers

Susan Morris

Christmas celebrating was changed by the Sophs when they began the planning of a Christmas Ball in place of class parties. They really worked and made it one of the best dances JC has had. From this year on, it is hoped that it will be an annual function.

The Sophomores completed the year successfully, ready to tackle the next two years of high school. The 1969-70 Sophs will leave many memories at JCS and will make a place for themselves at HH.

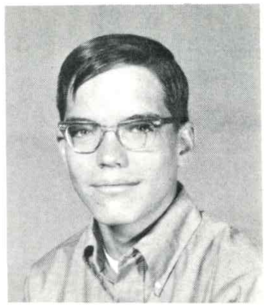
THE CELLAR DWELLERS START THEIR CLIMB



Clifton Petersen

The Cellar Dweller Freshmen have now finished their first year of High School. It's been a long, but fun time too and they've made it in one piece. They've had to take the kidding and pushing, around from the mighty Sophomores, but after all what else can you expect when you're a Freshmen?

For them the year started out when they were fully initiated freshmen, on the day of Freshmen Initiation. That being an exciting day, will remain as a lasting memory for them.

Then came the Halloween Dance, when the Freshmen did their first decorating job.

Throughout the year they have portrayed their position as typical freshmen, and have experienced surely what it's like to be a cellar dweller.

Next year will be their turn as Sophomores to rule J. C. H. S. as well as the FRESHMEN. Have fun!
